Notice

Research Project Guidelines and Choice

All students of CSE M.Tech Int. IVth Year are requested to find below the research project guidelines:-

- Students are permitted to form a group of maximum **Two** students.
- Project domain to be specified by students from the domain choice given by the department.
- Project guide will be allocated as per the domain.
- Project title will be given from the domain specific choice and student must select any one topic from it.
- Once the topic has been allocated to the student then he must submit a synopsis and on its approval the work can be started. Format of synopsis will be shared accordingly.
- At the time of synopsis submission, a presentation must be given, and its report needs to be submitted in Hard Copy format.
- Synopsis must be spiral bind duly signed by the Guide
- There will be two Research Project Committee (RPC) sessions in each semester in which students' progress will be evaluated and guidelines given by committee need to follow by student.
- Apart from two RPC, weekly progress presentations will happen.
- Project Progress Report is to be submitted at the time of RPC duly signed by the Project Guide and Project Convener/Head of Department/Dy. Head. Format will be shared accordingly.
- Mandatory for a student to publish research paper
- Publication should be either in two International Scopus Indexed conference/IEEE conference or one Scopus indexed paper related to the project.
- Three copies of Project Report to be submitted on completion of Project.
