NOTICE

Debate Competition

All B.Tech. students are invited to participate in a debate competition on the topic "Safeguarding Human Rights in the Use of Digital Technologies" organized by the Department of Computer Science and Business System (CSBS). We believe that this event will contribute significantly to the intellectual and academic growth of our students while promoting important discussions on a timely and critical issue.

Here are some key details about the proposed competition:

Competition Title: Safeguarding Human Rights in the Use of Digital Technologies Debate Competition

Date: 15th September 2023

Time: 3:30 PM - 5:00 PM

Venue: Block B Auditorium

Competition Format:

The participants will be divided into teams, and each team will present arguments for and against the motion. The competition will consist of multiple rounds, including preliminary rounds, semi-finals, and a grand finale.

Benefits:

- Enhancing students' research, critical thinking, and communication skills.
- Promoting awareness of human rights issues in the digital age.
- Encouraging teamwork and collaboration among students.
- Providing a platform for students to voice their opinions and engage in constructive debates.
